Instruction related to DC for foreign vendors

1. Foreign vendors can register in our e-procurement portal with valid DC issued by Indian CA only. If the vendor already possesses a valid Indian DC, vendor registration can be done using the existing DC. Otherwise the vendor has to procure a new DC.

2. Foreign vendors shall obtain a Class III DC (Digital Certificate) from a licensed CA (Certifying Authority). At present following organizations are authorized CAs
 - **(n)Code Solutions CA(GNFC)**
 - **Safescript(SIFY)**
 - **TCS**
 - **MTNL**
 - **Customs and Central Excise**
 - **E-Mudhar**
 - **IDRBT**
3. Foreign Vendors are requested to visit web sites of the above mentioned organizations for details regarding list of authorized documents to be submitted and also other statutory requirements for obtaining a DC. It is a safe and proper method to get a DC on e-token, a password protected USB device.
4. If required, ISRO can provide an authorization letter to foreign vendors for obtaining a new DC from Indian CAs.
