Declaration

We have carefully read the terms and conditions of Announcement of Opportunity (AO) programme for utilization of archival data of Planet Venus for scientific analysis and agree to abide by them.

It is certified that if the AO proposal is accepted and supported by ISRO, Bangalore, the facilities as identified in the proposal and administrative support available at our institution and needed to execute the project will be extended to the Principal Investigator and other Co-investigators.

It is certified that, if the AO proposal is accepted and supported by ISRO, the same proposal shall not be submitted for funding support from other agencies.
