To implement a sustained and affordable human and robotic programme to explore the Solar system and beyond; extend human presence across the solar system, starting with human spaceflight to low earth orbit and return”.

Human Space Flight Centre (HSFC) has been formed as a new Centre under Indian Space Research Organisation (ISRO). HSFC will be responsible for realizing the vision of Indian Human Spaceflight Program which is “To implement a sustained and affordable human and robotic programme to explore the Solar system and beyond; extend human presence across the solar system, starting with human spaceflight to low earth orbit and return”.

Human Space Flight Centre (HSFC), located temporarily in the ISRO Headquarters campus, Bengaluru and which will be subsequently relocated to a permanent campus anywhere in Karnataka, invites on-line applications for the following temporary posts, which are likely to be continued indefinitely.
