

INTERNATIONAL ASTRONAUTICAL FEDERATION

Prof. U. R. Rao

IS HEREBY INDUCTED
INTO

THE 2016 IAF HALL OF FAME

For his outstanding contributions to development of space technology in India and for his relentless efforts towards sharing the greater benefits of space technology with developing countries and the world at large...

Mr. Jean-Yves Le Gall
President, International Astronautical Federation
Cuadajajara, Mexico, September 2015
